STUDENT HOUSING

PARENTS TRUST THEIR CHILDREN WILL BE SAFE AND SECURE IN THEIR CAMPUS STUDENT HOUSING.

It's all about selecting the right apartment. The competition for student housing is fierce for young adults living in college towns. Give your property the edge it needs with the world's smartest video access system.

MVI's patented KeyCom® Smart Video Door Platform is more than just a state-of-the-art touchscreen video intercom system. It is a cost-saving tool for building owners and developers.
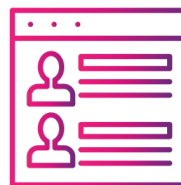

FEATURES

MVI Systems has the solutions campus housing owners need to ensure safety and security.

Enhanced Security

Audit & Track Door Events

Track & Resolve Service Requests

Effortless Communication

Track Packages Remotely

Manage visitors & guests via mobile app

Automatic entry via Bluetooth or digital key

There are no limits as to how residents can communicate via our systems and when paired with MVI's Package Room solution, your property can become the hottest location on campus.
